El Shaddi Ministry

"My Grace is sufficient for you, for My power is made perfect in weakness."
2Cor 12:9

Minister Joyce Tabb, Founder

The years 2008-2009 were perhaps the worst years since the beginning of El Shaddi Care Center in December 1997. And yet God allowed so many blessings to manifest from this ministry over the past 13 years. The ministry was also hit very hard with the recession, donations dropped, and we had to move from our office space of 11 years. I had to re-evaluate not only God's will in my life, but His will for the ministry. I was blessed to move into a house November 2008 with enough space to set up the office to operate the ministry, and still be located in Laurel. That year we spent moving and getting setup again. The year 2009 was set aside for rest, prayer, and seeking God for guidance and wisdom to get back on track with new and exciting events for 2010. God showed me the importance of outreach and educating the community and Church on abortion, and pro-life issues. So, I sought opportunities to speak at organizations, exhibit at conferences, and Health fairs. Following are those highlights.
